

FIG. 1 is a perspective view of a cable assembly 100 in a retracted state. The cable assembly 100 includes a central cable 102 and a plurality of outer cables 104. The central cable 102 is connected to a first end 106 and a second end 108. The outer cables 104 are connected to the central cable 102 at the first end 106 and the second end 108. The cable assembly 100 is shown in a retracted state, where the outer cables 104 are folded back towards the central cable 102.
